- 2) Overview of Community Health Partnerships
- 3) Examples of Community Health Partnerships
from three of your peer T.R.A.I.L. sites
- 4) Successes & Challenges - Q & A

Program Reminders

- Quarter 2 Progress Reports will be due March 8 – please ensure these are submitted for all sites and respond to any questions from FirstPic.
- Youth Data / Pre Tests – Please make sure to add youth data and your Pre-tests to the Online Reporting Site as soon as you complete them.
- PA Logs – Please be sure to complete your PA Logs for January, if you have not already completed them.

Community Health Partnerships

- A CHP can help your Club in a variety of ways, including:
 - Providing helpful resources for your Club.
 - Facilitating sessions
 - Assisting with healthy snack demonstrations/Community Education Project
- A CHP can be any local organization of your choosing that shares your dedication to the central values of the T.R.A.I.L. program.

What is the status of your site's Community Health Partnership?

Currently, our site is...

- Actively working with a partner (in-person).
- Actively working with a partner (virtual).
- Actively working with a partner (hybrid).
- In the planning phase of working with a partner.

Please type your response and Club/site name in the chat box.
