

# **Safe/Socially Distanced Implementation of T.R.A.I.L. during COVID-19**

**December 15, 2020**

# Housekeeping

- Today's Webinar will be recorded to view later.
- Please type questions/comments into the chat box at any time.
- We will read questions aloud for everyone to get the answers.
- If your phone drops the call at any time, the call-in number is 716-273-1030.

# Coming Up Today

- 1) T.R.A.I.L. program/finance reminders
- 2) Implementing T.R.A.I.L. during COVID-19 –  
Tips for Safe/Socially Distanced  
Implementation
- 3) Examples of successes and challenges from  
three of your peer T.R.A.I.L. sites
- 4) Successes & Challenges - Q & A

# Program Reminders

- Quarter 1 Progress Reports were due December 7 – please ensure these are submitted for all sites and respond to any questions from FirstPic.
- If you have not yet uploaded your administrative docs, please do so ASAP. This includes:
  - Updated contact sheet if you have any staff changes.
  - Implementation Plan for all sites and respond to any questions from FirstPic
- Youth Data / Pre Tests – Please make sure to add youth data and your Pre-tests to the Online Reporting Site as soon as you complete them.

# Finance Reminder

- Reimbursement requests that are due January 20, 2021 must include all expenses incurred up to December 31, 2020.
- No expenses incurred in 2020 may be claimed after the request due January 20, 2021
- This may require splitting a pay period that spans the end of the year.

# Current implementation status of the T.R.A.I.L. program

Our site is...

- Not implementing at this time
- Closed and implementing fully remote
- Open and implementing a hybrid remote/in-person program
- Open and implementing fully in-person

Please type your response and Club/site name in the chat box.

# Overview of safe in-person implementation

- Ensure social distance at all times (6 feet or more).
- Outdoor activities are much safer than indoor– try to find ways to get outside for activities and lessons.
- Face masks should be required for all youth and staff.
- Do everything possible to increase ventilation – open windows, run fans.
- Ensure parents/guardians are aware of all safety measures.
- Temperature checks and sanitation/disinfection are a good precaution, but should not be relied on completely – focus on masks and ventilation.
- Follow all state and local guidelines.

# Examples from the Field

Alexis Gallego  
Boys & Girls Clubs of Tucson

Travis Vake  
Boys & Girls Club of Bois Forte

Chris Glendening  
Boys & Girls Clubs of the Red River  
Valley
