NPAL Final Progress Report Guidance

The following information is to be used as guidance to complete your organization's final progress report for the NPAL Mentoring Grant. Each question includes what format an answer should be submitted in and what details are expected in the answer if your organization completed programming in December 2018. Remember that all narrative answers should be presented in complete sentences with proper grammar and punctuation. The reviewer of your progress report should be able to understand the who, what, when, where, and how of each of your narrative responses.

Important reminders:

- Please note that this report is the final report of the grant year.
- Please utilize the guide below if your organization ran mentoring programming during the month of December 2018.
- If your organization completed mentoring programming prior to December 2018, please utilize the alternate Final Progress Reporting Guide for November.
- Completely read the guidance for each question to ensure your responses are accurate.
- Save your report often in the online reporting site to prevent data loss.
- Complete your report in a timely manner to ensure you have time to make edits as requested by NPAL or FirstPic, Inc. prior to the deadline.
